**FILED  
U.S. MAGISTRATE JUDGE**

**DATE:** October 3, 2022

**TIME:** 9:20 a.m.

**UNITED STATES DISTRICT COURT**

**DISTRICT OF NEVADA**

UNITED STATES OF AMERICA,

Case No.: 2:22-mj-00767-EJY

Plaintiff,

**APPLICATION TO SEAL**

vs.

ERIC LANGPOP,

Defendant.

15 COMES NOW the United States of America, by and through Jason M. Frierson, United  
 16 States Attorney, and Allison Reese, Assistant United States Attorney, respectfully moves this  
 17 Honorable Court for an Order sealing the Complaint, this Application and the Court's Sealing  
 18 Order, in the above-captioned matter, until such time as this Honorable Court, or another Court  
 19 of competent jurisdiction, shall order otherwise.

20 In this case, an order sealing the Complaint would be appropriate because the attached  
 21 Complaint relates to an ongoing criminal investigation into violations of Title 21, United States  
 22 Code, Sections 841 and 846—Distribution of a Controlled Substance and Conspiracy to Distribute  
 23 a Controlled Substance that is neither public nor known to all of the targets of the investigation,  
 24 and its disclosure may alert the targets to the ongoing investigation. Accordingly, there is reason

to believe that the disclosure of the information contained within the Complaint will jeopardize the investigation, including by giving the targets an opportunity to flee or continue flight from prosecution or change patterns of behavior.

The Government further submits that it is necessary for the Complaint to be sealed in light of the fact that the targets of this investigation utilize digital devices to conduct their illegal activities. If the targets became aware of the investigation, they could delete and destroy evidence, including but not limited to text messages, photographs, and social media account information or messages received and sent over those platforms. Additionally, the Affidavit references other co-conspirators and confederates that are under investigation and do not know of the existence of this investigation. Accordingly, there is reason to believe that notification of the existence of complaint will seriously jeopardize the investigation, as noted previously, and would likely place law enforcement at higher risk of confrontation when securing the arrest of the targets given that the investigation has revealed that the targets possess multiple firearms.

DATED: October 3, 2022

Respectfully submitted,

JASON M. FRIERSON  
United States Attorney

Allison Reese
